Price USD20 License Purchase File Size 3 04 MB Version 4 4 0 10 Operating System Windows XP Windows Windows 98 Windows 95 Windows 2000 Windows NT System Requirements Windows 95/98/ME/NT/2000/XP.. – It's the type of game you'll fall in love with for its ability to tell a story, have epic combat raids, devious politics, or just have a grand time with your new friends.. You may unsubscribe from these newsletters at any time ACCEPT & CLOSE What are MUDs? A MUD (; originally Multi-User Dungeon, with later variants Multi-User Dimension and Multi-User Domain), is a, usually.. If every question asked on this forum was answered by a 'google it' or 'check the listing for what you want' then it wouldn't be a very helpful or useful forum, would it? That's kind of a common sense first step, and so I would be willing to give someone asking a recommendation for a client, or a MUD, or what-have-you, the benefit of the doubt they likely did try on their own and didn't find anything to their liking.. Players typically interact with each other and the world by typing commands that resemble a.

I used SimpleMU for years on PCs because it was so straightforward Did it occur to you that he may have tried this option first, and upon seeing 'a lot of options' that he came to the forum to ask for 'any recommendations' for one that features 'white text on a black background' and 'for something super simple' that may be similar to SimpleMU? Maybe he did 'try some out' but after finding several that didn't meet what he was looking for, he came to the forums to ask for assistance.. SimpleMU is a client for all MUD type games including MUSH, MOO, MUCK and MUSE It is a fast, small client that supports a highly customizable GUI including background images and full ANSI Color support with custom color configurations..
